- 12 full-page monthly calendars starting with the month of your choice.
- A full-page year-at-a-glance calendar.
- Coil bound with hanging hole.
- Priced at \$14.99 per calendar plus \$2.50 per order shipping, including tracking
- 2-day turn-around
- Calendar can start with any month and will include 12 consecutive months.

Ordering is easy—all we need is the following:

Email us 14 or more jpegs of your pictures or mail us the actual photos.

Horizontal photos work best because the photo will be a full page.

If you submit vertical photos, we can get two or more to a page. There will be white space on these pages but we will fill that space with a background of a complimentary color.

Each photo needs to be identified as to where it goes. i.e. Cover, January, February, etc. The best way to do this is to name the jpegs: Cover, Jan, Feb, Mar, etc. Or, if mailing photos, write this information on the back of each. If you have multiple photos on a page, key them JanLeft, JanRight, JanLeftTop, etc.

We will have your calendar(s) in the mail to you within 48 hours after we receive your order. If you mail photos to us, they will be returned with your order.

The first calendar is \$14.99. Additional calendars are \$13.50. Shipping to one destination is \$2.50 per order, regardless of the number of calendars ordered.

If you would like special dates highlighted with text or graphics, there is an additional charge of \$.50 per date—a 1-time charge as long as the same dates are highlighted on all calendars ordered. There is no charge for the normal holidays. Depending upon your preference, they can be included or not.

We accept Check, MasterCard, Visa, Discover, American Express, and PayPal.
